

biography

paul sawyer

chief information officer

Paul Sawyer has been with Acoustic Dimensions since its inception and he manages the overall operation, budget and administration for the New York Office.

Paul's fiduciary responsibilities include maintaining the corporate balance sheet, budget and staffing projections, real estate, insurance and equipment procurement and negotiations. In addition, Paul builds, manages and administers all of the Information Technology and vast Wide Area Network for the New York office.

A graduate of the University of Connecticut, Paul holds a Bachelor of Science and an Associates degree in Architectural Engineering.
