**Architect:** Wilson Butler Architects

**Theatre Consultant:** Schuler and Shook, Inc.

**Contact:** Rema Elias Gyftopoulos | Wilson Butler Architects | 617.720.7121

**AD Scope:** Acoustics | Audio | Video

The Lawrenceville School is proceeding with the design and construction of an expansion to their existing performing arts center, including the addition of a 20,000 sf dance rehearsal and informal performance studio. The space will provide a flexible, inviting space for teaching students all aspects of dance and movement.
