AD Scope: Audio | Video | Editing Suites | Broadcast Infrastructure | LED Displays | Clubs/Suites A/V | Scoring & Timing Systems | Officiating Systems | In-House Cable TV Systems | Telecommunications & Security Infrastructure | Acoustics

Citizens Business Bank Arena is an 11,000-seat multi-purpose arena in Ontario, California. The state-of-the-art arena hosts the Ontario Reign ECHL, an affiliate of the Los Angeles Kings, and a variety of other sporting competitions, concerts, family shows, special events, community and private events. The 225,000 square foot venue features 36 suites, located on two levels, and a continuous concourse with food, merchandise, a VIP club and other fan amenities.

Acoustic Dimensions was responsible for the design of the audio, acoustics, broadcast, video display and production systems. Our design incorporated three in-house cameras for fan reaction and player interviews and production space for use in creating graphic information, integrating broadcast camera and in-house cameras and producing special effects.
