HKS Architects is leading the design team for the renovation/expansion of Amon G. Carter Stadium at Texas Christian University in Fort Worth, Texas. The expansion of the stadium's seating will be completed in phases and includes concourses, club lounge, suites and a press level. The existing lower bowl will remain, but will be re-seated and re-aisled to provide more premium seating.

Acoustic Dimensions provided design for Sound Reinforcement, Clubs/Suites A/V, In-House Cable TV Systems, Infrastructure for Broadcast, LED Displays, Scoring & Timing Systems, Officiating Systems, Telecommunications Infrastructure, Security Infrastructure, Room Acoustics, Noise and Vibration Control.
