

projects

calvary chapel

Client: Calvary Chapel

Location: Ft. Lauderdale, Florida

Project Type: New Construction

Seats: 3,200

Architect: HH Architects

Contact: Gary Kirchoff | HH Architects | 972.404.1034

AD Scope: Visualizations

AD used 3-D visualizations to present our auditorium design concepts and sightline studies for the new worship center planned for Calvary Chapel in Fort Lauderdale.

AD worked with HH Architects to further develop these concepts and also to provide acoustics, audio, video and lighting design for the room.
