

projects

first baptist church of granbury

Client: First Baptist Church

Location: Granbury, Texas

Project Type: New Construction

Architect: HH Architects

Contact: Jones McConnell | HH Architects | 972.404.1034

AD Scope: Visualizations

HH Architects designed the new worship center for the campus expansion of the First Baptist Church of Granbury. AD rendered HH Architects's REVIT model adding textures, furnishings, landscaping and people in collaboration with HH's designers.

The visualizations were developed to communicate the design concepts to the congregation and to be used in fund raising materials.
