Opening: 2013

Architect: HCO / Henry Onochie, Principal

Contact: Jerry Overbey | Project Manager | 301-773-6655

AD Scope: Acoustics | Room Design Assistance | Audio | Video | Lighting

The First Baptist Church of Highland Park in Landover, Maryland is working with HCO Architects of Indianapolis to further develop their existing campus. The church is known for high-energy worship and the direct “high-octane” preaching style of Dr. Henry Pinckney Davis III.

The new worship facility is designed around creating a connected feel between the congregation and the preaching and worship from the platform. Acoustic Dimensions and HCO collaborated on the development of the core room shaping for optimal acoustic environment and sightlines.
