

## roseville lutheran church

**Client:** Roseville Lutheran Church

**Location:** Roseville, MN

**Project Type:** New Construction

**Seat Count:** 1100

**Architect:** HGA, Sacramento

**Contact:** John Justus, Principal | HGA | 916.787.5125

**AD Scope:** Acoustics

The congregation of Roseville Lutheran Church decided to construct a new gathering and expandable two-level worship space designed to be acoustically “tuned” to accommodate both amplified and acoustic music.

Acoustic Dimensions worked with HGA on the phased project which consisted of a finished main floor with a seating capacity of 800. The balcony seats 300.
